

# THREE RIVERS POLLUTION RESPONSE COUNCIL

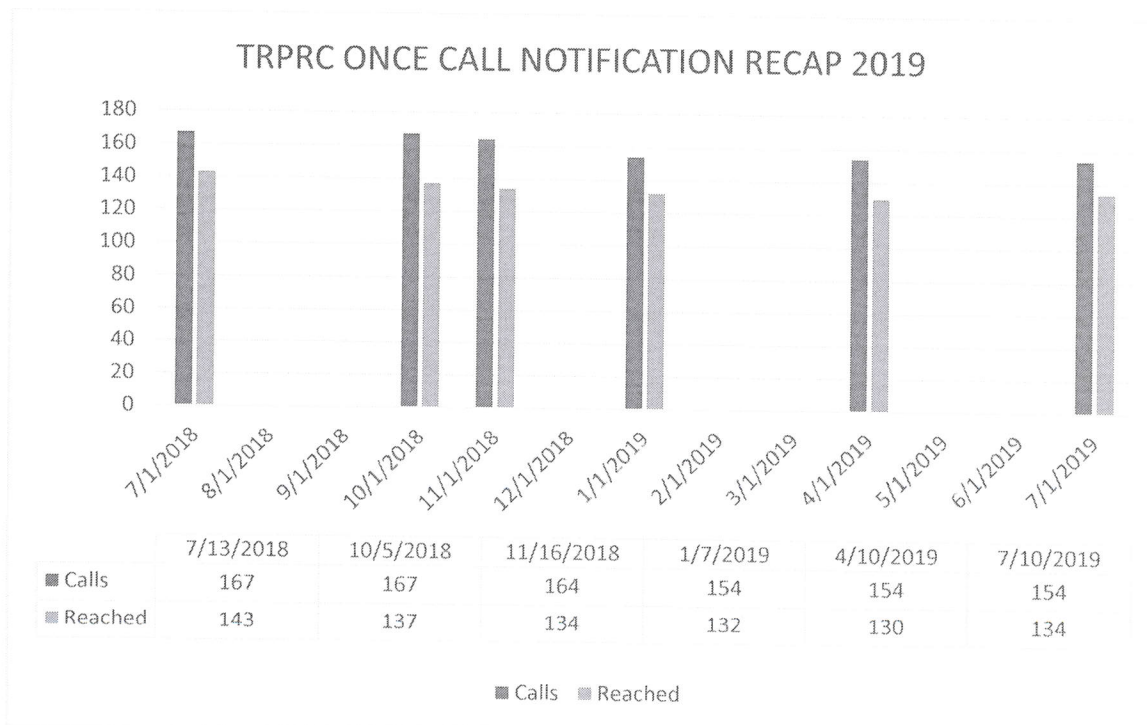

Attention: Three Rivers Pollution Response Council Members

From: Guy Marcantino

Date: 7-10-2019

Regarding: One Call Notification Recap:

- A notification drill was performed on 7-10-2019
- TRPRC members were instructed to respond on the website bulletin board under the topic Interstate Chemical Company Drill – 7-10-2019; or to call (724) 979-2256
- 87% of calls sent out were received
- Subgroup 13 should be used when one call notification drills are being performed
- Any individuals that would like to be added to the one call, or have any questions can contact: **Guy Marcantino @ (724) 979-2256 or gmarcantino@interstatechemical.com**

TRPRC- One Call Now

The following message was posted on the TRPRC website and recorded on the one call now system: Interstate Chemical Company is conducting a drill. This is only a drill. The drill scenario is as follows: At approximately 1000 on 7-10-2019 during barge discharge into tank 101, discharge hose ruptures spilling 2500/gallons of solvent 100 into the Ohio River. Interstate Chemical is located at the 28.5 mm on the Ohio River. Please respond with equipment available and ETA to the spill location. You can respond by either posting on the TRPRC website under the topic Interstate Chemical Company drill, or by calling (724) 979-2256.

Thank You,

Guy Marcantino- Three Rivers Pollution Response Council Head Pool Coordinator
